Duelling Pianos: I had to cancel in February 2016 but finally was able to attend! We had a blast! Plus we were helping a great cause, LifeHouse! The place was packed and I ran into some old friends! Thanks for inviting me to come along and help celebrate Steve's Birthday! We started out at The Burger Stand, I just had to get another one of those burgers!! They are so yummy!

Mundane Monday: Pretty nonexistent this month since Ryan and I both had to work way too much! This will be changing soon though!! We did have the first fire of 2015 though. It just wasn't on a Monday!

Friday nights with Kolton This month I was lucky enough to spend 3 Fridays with Kolton. The first one we went to Tortilla Jacks for tacos. The next week we went to The Pizza Pub for pizza and the best Friday was our slumber party! Kolton and I grabbed a sandwich from Jimmy Johns and then home to eat and play with Hot Wheel cars. We then went to Orange Leaf for dessert and home to watch, Brother Bear. Kolton had planned on staying up while I slept and then he would go to sleep when I woke up. He failed with that plan, thank goodness! The next morning we pancakes and sausage. Then I returned him to his grandparents house. This little guy is amazing and I thank Jason for letting me borrow him!

Chelsea's Senior Show: My daughter graduates from College this May. I can't believe it! I am so proud of her! Here are a few pieces of her Senior Show.

Hands on a Hardbody at TCTA: I had no clue what to expect. This show had so much passion and amazing talent!! Oh and Jim and I ate ANOTHER burger from the Burger Stand. I invited Kolton's grandparents, my friends Dana and Mike to join us. They too had a great time. Dana and I shared the strawberry cheesecake.

When I cheat on my healthy eating habits, I go all the way!!

Nemaha Valley Motors 50th Anniversary Party: My Aunt and Uncle own this car lot. After retiring from the Dairy Farm business they invested in a car lot. I took my mom to Seneca to help them celebrate this awesome milestone.

Blarney Breakfast: I use to take all my daycare kids to this event every year!! Everyone was always impressed with how well behaved my kids would be. Since 2003, I have been downtown working during the parade. This year we were not open since the parade was on the construction route. Chelsea asked me if I wanted to go with her and Max. Another fun time and I love to support a great cause!!

Copland: Our Town
Young Artist Winner
Mussorgsky: Pictures at an Exhibition

Our final concert of the year will include a very special project featuring local children's photographs in a film capturing Topeka's greatness as seen through the eyes of our youngsters. This will be a remarkable and moving event, set to Copland's nostalgic Our Town soundtrack, and will be an evening, children and adults alike will cherish. We conclude our Season of Greatness with Mussorgsky's ever-popular and thrilling Pictures at an Exhibition, which finishes with, of course, the Great Gate of Kiev.

Oddfellow's is Topeka's newest and greatest collectibles store. We offer a huge selection of quality used books of every kind and subject. We also offer a great selection of coins and currency as well as comic books, stamps, ephemera, and LOTS of other things to excite the collector in you.

WE ARE NOT A PAPERBACK TRADE!!!

While there is lots of great reading to be found in the average used bookstore we choose to sell books as commodities and not as consumables. This means that the books you purchase from Oddfellow's will find a permanent home on your bookshelves and not get passed on after reading. Our books include the rare and out-of-print, books from the 19th century and earlier, leather-bound beauties, and new books by local authors as well as a ever expanding selection of modern fiction. We also pride ourselves on having a large selection of books about Topeka and all of Kansas including books by local authors. Whatever subject you love, we have a book for you!

Please continue to check back as we expand our website. Soon we will have a link to our online catalog and an events calendar to keep you up-to-date on author signings and other events around the store.

The Merchant - 913 S Kansas Ave, Topeka, KS 66603 - 785-357-1444

The Merchant was started in 2009 by owner Lisa Boyd. Lisa has done design and fashion on a budget since she was 16 years old by hitting up clearance racks, garage sales, and estate sales. After spending most of her life doing this - she realized that Topeka needed a resale shop that specialized in eclectic fashion and great prices.

And that's what we are! **The Merchant is all about two things: Fashion and Price!** We spend our time looking for bargain fashion items so you don't have to. This drought is causing many foundation and concrete slab
settlement problems!KB Mudjacking LLC. of Perry Kansas has inspected many foundation
problems in our careers, and if only people knew how to care for
their foundations they could have avoided thousands of dollars in
repair cost or minimized their damage.

The primary reason so many people have foundation problems lay
beneath their feet, its called "highly expansive clay soil". Movement
of foundations is a common problem in northeast Kansas, due to
highly expansive clay soil and changing weather conditions. This
drought continues to plague us all. As the moisture content
reduces in the soil due to this drought the clay shrinks and your
foundation, walkways, and driveways settle.

Do you have windows and doors that won't close? Does your
basement wall have cracks? Do you think your house is falling down
around you? Is money tight? Then you came to the right place!!
Whatever structure you need repaired, big or small KB Mudjacking
LLC a locally family owned and operated Mudjacking and
Foundation Repair Company will be there for your repairs at the
lowest possible cost, and help you regain your properties value.

There are no tricks up our sleeves, just good old fashion tried and
proven construction methods that have been time tested to fix
your foundation issues. So don't put it off any longer that only
leads to further damage and costly repairs. Give KB Mudjacking a
call today and one of the Keating Brothers themselves will visit you
soon.

We work to solve issues no single donor, charity, or government agency can handle alone. By focusing on education, income and health, we help more children graduate and get stable jobs, help families become financially stable and improve the overall health of our community. For more than 80 years, United Way has been serving the Greater Topeka area. We believe everyone deserves the opportunity to succeed and we believe in the potential of every human being. Since 1980, United Way has invested \$105 million into the community. Learn more about our history here.

Mass Appeal

Written by **Bill C. Davis**
Directed by **Walt Boyd**
Produced by **ARTS Inc.**

Dueling pastoral attitudes are just the start of trouble between these two priests. They'll challenge each other on faith, authority, injustice, alcohol abuse, and even the right way to deliver a sermon. This is as much of a character study as a comedy, drama, farce, and a way to (just maybe) think about the complex relationship between our beliefs and actions.
