Welcome to 2016!! I have a really good feeling about this year! 2015 was packed with fun and many challenges. Bring on my 50th year on earth!!

Kim's Excellent Adventures

Mayor's reception for city committee board members: I serve on the board for the Business Improvement District (BID). It focuses on downtown! The mayor held a reception at the Ramada Inn to thank everyone who volunteers to serve on a board for the City. It was great seeing everyone!

Vaerus Aviation Hanger Christmas party: This has to be the best party ever! I always take Robin as my guest but this year, I also took her husband Steve! We had a blast!

Sunflower Paving Christmas party: I no longer work for Kansas Trucking. I am working on a new project. I did get to go see my friends at the Sunflower Christmas party though. I went with Teri! It was great seeing everyone!

Passion Party: I rarely have time to get to attend home parties. I always love Passion parties. We had a blast!

KC Christmas Shopping: It is always nice to get away. Chelsea and I try to spend one day shopping in KC. We really don't buy much but we like looking around!

Ugly Christmas Sweater Party in KC: This year Toni and Tony added ugly Christmas sweater to the attire for their end of the year party! I added some ugly to a sweater I use to wear! I also made margarita and strawberry daiquiri jello shots in these adorable small margarita glasses. The party started at 6:30 and I got to bed at 5:45 am. There is always the party and the AFTER party! Great time!!

The Great American Trailer Park Christams Musical- TCTA: Another awesome show at TCTA. Jamie, Jim and I started at Kyoto for dinner! The owners are really nice and the food is amazing!

Schultz Christmas 2015: This year after dinner we watched the Schultz Show 3D Spectacular. I was in the show but had never seen it. That Schultz Family is pretty darn talented! :) After dessert, we opened gifts and hung out.

Zoo Expands Post Holiday Tree Recycling Program to also include Holiday Lights

The Topeka Zoo will be accepting used live Christmas trees again this year beginning as early as December 26. It is as easy as dropping the tree off at the zoo's admission gate.

"There is no need to make an appointment," said Zoo Director Brendan Wiley. "We'll find them and get them to the animals that can use them."

In order for the trees to be able to be used by the zoo animals, the trees need to be free of ornaments and tensile.

"This allows the trees to be used beyond the holiday season," said Wiley. "Animals that benefit from them include lions, tigers, mountain lions, elephants, bears and many others."

In addition to recycling trees at the zoo this year, people also can drop off old holiday lights at the zoo to be recycled. This prevents unused, unwanted, or broken holiday lights from going to landfill space.

Unwanted lights can be dropped off in the same way as the trees. "There is a box outside the admission gate for the lights," Wiley said. "People can simply drive up, drop off and drive away." Holiday lights dropped off will be collected and forwarded to a recycler where their parts will be separated, allowing 100 percent of each light unit turned in to be recycled. Rope lights, garland lights, C7, C9, mini lights and LED holiday lights are all accepted. Yard light displays can be accepted as long as they contain electric wiring and can be broken down to lay flat for storage and transportation. The zoo will accept the lights and trees through Jan. 15.

The Great Soldier State: Kansas and the Civil War
October 3, 2014 - January 3, 2016

Frontier Kansas was pivotal in the Union victory. As Kansas impacted the war effort, the war also impacted Kansans. After the war, settlement by hundreds of thousands of veterans who created new towns, businesses, and railroads led Kansas to become known as the Great Soldier State.

This special exhibit tells the Kansas story of the Civil War and features related objects from the collections of the Kansas Historical Society.

Clybourne Park

January 29 - February 6, 2016

Clybourne Park explodes in two outrageous acts set fifty years apart. Act One takes place in 1959, as nervous community leaders anxiously try to stop the sale of a home to a black family. Act Two is set in the same house in the present day, as the now predominantly African- American

Funny Money

January 15 - February 6, 2016

Henry A. Perkins, a mild mannered C.P.A., picks up the wrong briefcase - one full of money. He assumes it is illicit cash and keeps it. Knowing the owner of the briefcase must have his, he rushes home and tells his wife to pack - they're going to Bali! (In fact, they can buy Bali.) When the police ring his doorbell, he freaks, only to find out they have confused him with a dead man, accused him of soliciting in the men's room and more. Henry's inept attempts to remove himself from the impossible situation leads to increasingly hysterical situations.

Beethoven — Symphony No. 6 — Pastoral
Young Artist Competition Winner
Britten — Four Sea Interludes from Peter Grimes

2016 marks the 50th anniversary of the tornado which tore through Topeka. We remember the storm at this evening's concert of the World in Storm. We will play Benjamin Britten's stormy and dramatic Four Sea Interludes from the opera Peter Grimes and offer perhaps the most famous of all storm music, Beethoven's Symphony No. 6, the Pastoral. The Pastoral features a musical thunderstorm, including the calm before the storm, the raging storm itself, and the quiet afterwards, and will provide us an opportunity to reflect on the storm of 1966 and the years following as Topekans rebuilt. This will be a moving and powerful evening for all.

THE NETHERby Jennifer Haley

February 19, 20, 26 & 27@ 7:30 and February 28 @ 2:00, 2016 Recommended for 16 + yrs. "The Nether" tantalizes with timely, thought-provoking questions about the growing sophistication of the digital realm, and the possibility that it will become a more fulfilling place to "live" than the real world. Set in the not-too-distant future, where a detective investigates a highly interactive site in which taboo acts of secret desires are blurring the boundaries of right and wrong, and of virtual and real. She finds herself in a battle of wills with a charismatic suspect and wrestles with the question, is it a crime if the blood is just bits of computer code? -indie game freak

While there is lots of great reading to be found in the average used bookstore we choose to sell books as commodities and not as consumables. This means that the books you purchase from Oddfellow's will find a permanent home on your bookshelves and not get passed on after reading. Our books include the rare and out-of-print, books from the 19th century and earlier, leather-bound beauties, and new books by local authors as well as a ever expanding selection of modern fiction. We also pride ourselves on having a large selection of books about Topeka and all of Kansas including books by local authors. Whatever subject you love, we have a book for you!

Please continue to check back as we expand our website. Soon we will have a link to our online catalog and an events calendar to keep you up-to-date on author signings and other events around the store.

Spring Cleaning? Don't forget about us! A **frayed towel** or a **faded blanket** is just the ticket. Our kitties like to cuddle and our puppies love to snuggle up in them. Old pillows, stuffed animals and old throw rugs are also needed. HHHS also accepts donation of aluminum cans throughout the entire year and donations of plastic pop bottles or milk jugs during the summer months only.

Items can be dropped off at the shelter during regular business hours. Let us know if you need assistance removing items from your vehicle.

Do you want to help our elementary schools?

It really doesn't cost you anything extra. There are hundreds of products that have Box Tops of Education coupons on them. All you have to do is start to cut them off and put them in an envelope. These coupons add up quick! Stay tuned for drop off locations!

McCarter Elementary, Jardine Middle School, Most Pure Heart School, Avondale West and Whitson Elementary all collect Box Tops. More schools will be added when I have names.

This drought is causing many foundation and concrete slab settlement problems!

KB Mudjacking LLC. of Perry Kansas has inspected many foundation problems in our careers, and if only people knew how to care for their foundations they could have avoided thousands of dollars in repair cost or minimized their damage.

The primary reason so many people have foundation problems lay beneath their feet, its called "highly expansive clay soil". Movement of foundations is a common problem in northeast Kansas, due to highly expansive clay soil and changing weather conditions. This drought continues to plague us all. As the moisture content reduces in the soil due to this drought the clay shrinks and your foundation, walkways, and driveways settle. Do you have windows and doors that won't close? Does your basement wall have cracks? Do you think your house is falling down around you? Is money tight? Then you came to the right place!! Whatever structure you need repaired, big or small KB Mudjacking LLC a locally family owned and operated Mudjacking and Foundation Repair Company will be there for your repairs at the lowest possible cost, and help you regain your properties value.

There are no tricks up our sleeves, just good old fashion tried and proven construction methods that have been time tested to fix your foundation issues. So don't put it off any longer that only leads to further damage and costly repairs. Give KB Mudjacking a call today and one of the Keating Brothers themselves will visit you soon.

As advocates of animal welfare, HHHS provides sanctuary for animals in need of compassionate care and protection. We accept responsibility for:

FOSTERING the adoption of healthy animals into responsible homes and reuniting lost animals with their owners

REDUCING overpopulation by promoting sterilization of animals

PROVIDING an accessible facility with effective leadership and well-trained staff

MAINTAINING a fiscally responsible organization by adhering to the highest standards of integrity.

Mission: WE has been developed to empower young and teen girls by means of camaraderie, support, and growth that strengthens positive individuality while creating social change. WE seeks to provide a haven for women to expose themselves to new interests and encourage other women while enlightening one another.

If you have a young adult between the ages of 16 and 20 years old they really should go through the Jobs for Young Adults program. Call and set up a time to get them enrolled!! 273-4141

Youth Court - Most teens will get a traffic ticket. If they do ask the court to transfer it to Youth Court. A jury of their peers, community service instead of paying tons of money and it won't go on their record. First time offenses only!

The United Way brings together people, companies and nonprofits to create positive sustainable change in our community. We work to solve issues no single donor, charity, or government agency can handle alone. By focusing on education, income and health, we help more children graduate and get stable jobs, help families become financially stable and improve the overall health of our community. For more than 80 years, United Way has been serving the Greater Topeka area. We believe everyone deserves the opportunity to succeed and we believe in the potential of every human being. Since 1980, United Way has invested \$105 million into the community. Learn more about our history here.
