Now for me to start enjoying it! Bring on the sun!

Jim's Excellent Adventures

Dogsitting: I would spend a weekend with the Pugs. It also allowed me to hang out at the pool! I really enjoy the summer and all the fun it brings!!

Royals Game I have always enjoyed going to the games though. I love the atmosphere and I am acutally starting to like the K with friends!!

I have always enjoyed going to the games though. I love the atmosphere and I am acutally at the K with friends!!

German Fest: I go here for the food! It is always so delicious! I didn't get to stay that long since I had to come home and mow!

Here on the Flight Path: I cant' believe another season is almost coming. I needed the laughs!

w was hilarious!

Concert Series: We purchased a 4 concert package at Cricket Amphitheatre. I had a blanket so I had to stand for 5 hours on the concrete so that wasn't very fun though. I stayed with Frankie and we spend Saturday at the pool! Then I ca

bring in our awesome

Bare a Rock Opera: There are not many musicals that can make me emotional but this one did. It isn't fair that people can't be who they want to be. That other people make them feel bad for having feelings or just being themselves. I believe that everyone should have the chance to live life to its fullest and that no one has the right to treat others badly. This show was amazing!

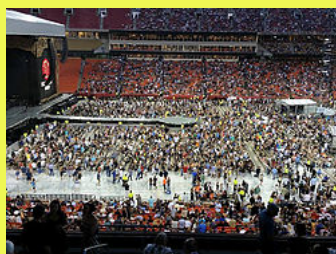

Girls night out: I hadn't seen Andrea is over 10 years! That is way too long, not to see such an awesome person! Can't go back, can only go forward! Hope to see more of her!

Kolton Time: After a 12 hour work day, I was excited to get to spend time with Kolton! We went to Gage Park for the Food Truck Festival. Then we went to Orange Leaf. Then he came to my house to watch a movie and have a sleep over. In the morning we got up and went to the Pancake House for breakfast! He told me that even when he gets older, he will still want to go on adventures with me! Love that kid!! I can't believe he will be 5 years old in July!

The Rolling Stones: Yes you read that correctly. I got to see the Rolling Stones in concert. My friend Frankie got FREE tickets and she invited me! What an amazing concert! Over 2 hours of high energy!! Our seats were on the club level 50 yard line! What a great time!! I have awesome friends!!

The Great Soldier State: Kansas and the Civil War October 3, 2014 - January 3, 2016

Frontier Kansas was pivotal in the Union victory. As Kansas impacted the war effort, the war also impacted Kansans. After the war, settlement by hundreds of thousands of veterans who created new towns, businesses, and railroads led Kansas to become known as the Great Soldier State.

This special exhibit tells the Kansas story of the Civil War and features related objects from the collections of the Kansas Historical Society.

Guys and Dolls
July 24 - August 9, 2015

Book by Jo Swerling and Abe Burrows; Music and Lyrics by Frank Loesser; Based on The Idyll of Sarah Brown and characters by Damon Runyon
Produced through special arrangement with Music Theatre International, Inc.

This oddball romantic comedy — considered by many to be the perfect musical comedy — soars with the spirit of Broadway as it introduces us to a cast of vivid characters who have become legends: Sarah Brown, the upright but uptight "mission doll," out to reform the evildoers of Time Square; Sky Masterson, the slick, high-rolling gambler who woos her on a bet and ends up falling in love; Adelaide, the chronically ill nightclub performer whose condition is brought on by the fact she's been engaged to the same man for 14 years; and Nathan Detroit, her devoted fiancé, desperate as always to find a spot for his infamous floating crap game. For anyone who loves musicals and loves to laugh, this show presented by the Bath House Players, is a must-see for all ages.

**Paws in the Park
 Sept 19 9a to 12p**

Paws in the Park is the largest annual fundraiser for Helping Hands Humane Society. HHHS admits over 8,000 animals a year. The cost to compassionately care for and provide world-class medical care for this number of animals can be staggering but unavoidable. Paws in the Park helps to raise money to support the animals that enter our doors. HHHS is proud to provide sanctuary for the lost, abandoned and unwanted animals of the NE Kansas community.

NEW LOWER FEES! Registration to participate in Paws in the Park is \$25 which includes an event t-shirt, VIP goodie bag, and one souvenir dog bandana. Additional pets can be registered for participation with a \$10 donation. Attendees can also register for a \$5 donation but will not receive a t-shirt, goodie bag, or bandana. Children 16 years old and younger are free.

Paws in the Park is the must-attend event for any animal lover. The event begins with a one-mile mutt strut through Gage Park. Following the walk, vendors are open for shopping and browsing along with other activities. Throughout the morning, pet contests will be conducted and, for a minimal donation, pancakes and sausage will be served by Perkin's Family Restaurant and Bakery.

Win a Year Supply of Science Diet!!

You have the opportunity to use the internet to help raise money for Paws in the Park. Consider building a fundraising web page on your own or with a team to increase the amount of donations raised for Paws in the Park. Be competitive! It's fun! The person who raises the most money will win a 1 year supply of Science Diet from Hill's Pet Nutrition! To create your online fundraising page, visit www.razoo.com/hhhstopeka.

Become a Vendor at Paws in the Park

HHHS is still accepting vendors and sponsors for Paws in the Park. Consider being a part of the largest animal event in Topeka and showcase your business to the thousands who attend Paws in the Park each year. To register, please call Justin Brokar at (785) 233-7325.

Oddfellow's is Topeka's newest and greatest collectibles store. We offer a huge selection of quality used books of every kind and subject. We also offer a great selection of coins and currency as well as comic books, stamps, ephemera, and LOTS of other things to excite the collector in you.

WE ARE NOT A PAPERBACK TRADE!!!

While there is lots of great reading to be found in the average used bookstore we choose to sell books as commodities and not as consumables. This means that the books you purchase from Oddfellow's will find a permanent home on your bookshelves and not get passed on after reading. Our books include the rare and out-of-print, books from the 19th century and earlier, leather-bound beauties, and new books by local authors as well as a ever expanding selection of modern fiction. We also pride ourselves on having a large selection of books about Topeka and all of Kansas including books by local authors. Whatever subject you love, we have a book for you!

Please continue to check back as we expand our website. Soon we will have a link to our online catalog and an events calendar to keep you up-to-date on author signings and other events around the store.

Happily Ever After

We spend our time looking for bargain fashion items so you don't have to. Our inventory changes **daily**, and is bought at great prices so we can offer it at great prices - so you can express yourself without blowing your budget. The Merchant has a wide range of styles, home accessories, and fashions that's sure to treat everyone's taste.

This drought is causing many foundation and concrete slab settlement problems!

KB Mudjacking LLC. of Perry Kansas has inspected many foundation problems in our careers, and if only people knew how to care for their foundations they could have avoided thousands of dollars in repair cost or minimized their damage.

The primary reason so many people have foundation problems lay beneath their feet, its called "highly expansive clay soil". Movement of foundations is a common problem in northeast Kansas, due to highly expansive clay soil and changing weather conditions. This drought continues to plague us all. As the moisture content reduces in the soil due to this drought the clay shrinks and your foundation, walkways, and driveways settle. Do you have windows and doors that won't close? Does your basement wall have cracks? Do you think your house is falling down around you? Is money tight? Then you came to the right place!! Whatever structure you need repaired, big or small KB Mudjacking LLC a locally family owned and operated Mudjacking and Foundation Repair Company will be there for your repairs at the lowest possible cost, and help you regain your properties value.

There are no tricks up our sleeves, just good old fashion tried and proven construction methods that have been time tested to fix your foundation issues. So don't put it off any longer that only leads to further damage and costly repairs. Give KB Mudjacking a call today and one of the Keating Brothers themselves will visit you soon.

Photography is about reflecting who you are, at your best. You want to share what's important to you with the whole world, and I can make that happen. The photos you'll treasure your whole life aren't the unnatural poses with faces pointed at the camera. When you look through your memories years later, what you want is something that will bring you right back to how you felt that day. Your fingers brushing across your new husband's face as you gaze up at him, the fire in your eyes the day before your big game, the look that charmed everyone, and the spark that just lights up the room. That's what you need to capture, and for that, you need a photographer that doesn't see you as just another shoot.

With the downtown redevelopment in process, it's a great location to view the progress on Kansas Avenue and enjoy the terrific atmosphere for a special meal with your significant other or a place to impress a business associate. The club welcomes you to see its premier space and enjoy Chef Miguel's special menu and extensive top shelf bar offerings using always fresh, hand prepared mixes. The promotion allows non-members, who may not have visited the Club before, the opportunity to enjoy the great atmosphere and dining for a small cover charge of \$5/person or \$20 maximum for groups up to 8.
