helsea is an amazing young lady. Having to raise her on my own with little or no suport from her dad, I  
I however will try. Going to college was my daughter's idea. Watching her grow has been amazing.  
rior, she was the Graphic editor for the Washburn Review and also working on the 150th Yearbook. She  
able to go to Greece for school and won numerous awards for her art. May 16th everything became a

**Mundane Monday:** This has to be one of the best nights of the week. Just to get out and enjoy a beer with a good friend!

**KC Dogsitting:** Getting to go Dogsit in Kansas City means I get to hang out with my friends In KC. One day I hung out with Frankie. It was pretty rainy so I didn't really get out much but Betty did come over for some girl talk!

**Family Pictures:** Last year my family finally took Family pictures. There are tons of photographers in Topeka but it was a simple choice when I decided to set up the date. Shelly Jensen not only a good friend but a great photographer. I finally was able to get some of the pictures. I think they turned out great!

**Time with Kolton:** Kolton wasn't feeling very well so we decided a double feature and dinner at home. Our movie picks were All Dogs go to Heaven and Tangled. We made cowboy dinners on the grill. I gave Kolton a small cutting board and a plastic knife and he helped me cut the potatoes. He thought that was pretty cool. Then he took me out for Orange Leaf before I took him back to his grandparents house. Another fun night with my little buddy!

<https://www.facebook.com/events/857919377608222/>

**only 24 tickets/seats out of 55 remain!! Don't wait and miss out!!**

This trip was arranged by the staff at The Topeka Newsletter or just me, Kim!! Our last trip was so much fun, they all wanted to do more!! I hope you will join us. You don't have to drive, pay for gas, tolls, or parking! You are let off at the front door and picked up at the front door. Without my discount you would pay more for the seats we have and that wouldn't include the bus ride. So this is really a good deal!!

**WE ARE NOT A PAPERBACK TRADE!!!**

While there is lots of great reading to be found in the average used bookstore we choose to sell books as commodities and not as consumables. This means that the books you purchase from Oddfellow's will find a permanent home on your bookshelves and not get passed on after reading. Our books include the rare and out-of-print, books from the 19th century and earlier, leather-bound beauties, and new books by local authors as well as a ever expanding selection of modern fiction. We also pride ourselves on having a large selection of books about Topeka and all of Kansas including books by local authors. Whatever subject you love, we have a book for you!

Please continue to check back as we expand our website. Soon we will have a link to our online catalog and an events calendar to keep you up-to-date on author signings and other events around the store.

This drought is causing many foundation and concrete slab settlement problems!

KB Mudjacking LLC. of Perry Kansas has inspected many foundation problems in our careers, and if only people knew how to care for their foundations they could have avoided thousands of dollars in repair cost or minimized their damage.

The primary reason so many people have foundation problems lay beneath their feet, its called "highly expansive clay soil". Movement

of foundations is a common problem in northeast Kansas, due to highly expansive clay soil and changing weather conditions. This drought continues to plague us all. As the moisture content reduces in the soil due to this drought the clay shrinks and your foundation, walkways, and driveways settle. Do you have windows and doors that won't close? Does your basement wall have cracks? Do you think your house is falling down around you? Is money tight? Then you came to the right place!! Whatever structure you need repaired, big or small KB Mudjacking LLC a locally family owned and operated Mudjacking and Foundation Repair Company will be there for your repairs at the lowest possible cost, and help you regain your properties value.

There are no tricks up our sleeves, just good old fashion tried and proven construction methods that have been time tested to fix your foundation issues. So don't put it off any longer that only leads to further damage and costly repairs. Give KB Mudjacking a call today and one of the Keating Brothers themselves will visit you soon.

Photography is about reflecting who you are, at your best. You want to share what's important to you with the whole world, and I can make that happen. The photos you'll treasure your whole life aren't the unnatural poses with faces pointed at the camera. When you look through your memories years later, what you want is something that will bring you right back to how you felt that day. Your fingers brushing across your new husband's face as you gaze up at him, the fire in your eyes the day before your big game, the look that charmed everyone, and the spark that just lights up the room. That's what you need to capture, and for that, you need a photographer that doesn't see you as just another shoot.

Family Service & Guidance Center has been helping children and families since 1904. Today, FSGC offers a number of mental health services, education and outreach programs to over 12,000 children and families each year. "...because every child deserves a happy childhood."

Grace Hospice was founded to deliver end of life care with compassion and love. Everyone is treated as if they are our family member. Our goal is to never have anyone die alone or be in pain. All of our staff is trained to the highest level. We consider it an honor to take care of your loved ones and you. We always encourage people to interview 2 hospices. Not all hospice services are the same. We provide the most one on one care with your loved ones. Grace Hospice is locally owned by Laura and Steve Parkey, residents of Prairie Village, Kansas.

The mission of PARS is, "To enhance community wellness and safety by providing prevention, intervention, education, counseling and referrals; and to assist in developing partnerships that empower individuals and communities to increase protective factors and reduce risk factors related to substance abuse, crime and other unhealthy behaviors."

**Positive Connections**

Positive Connections is a community-based program committed to working with HIV-infected persons and their significant loved ones, and through education minimizing the HIV infection rate. Positive Connections provides direct client services and networks closely with other community-based agencies and service providers to assist in meeting the clients' social, legal, educational, and health care needs.

In an effort to reduce HIV infection, Positive Connections provides the community with appropriate education services to increase understanding, reduce fears, and gain knowledge of risk-reduction practices.

Ronald McDonald House Charities lifts children and families to a better tomorrow by providing a home-away-from-home for families of seriously ill children staying at nearby hospitals.

The vision of Safe Streets is to create a healthier community by addressing substance abuse and crime, through prevention education and citizen empowerment

Seeking to put God's love into action, Habitat for Humanity brings people together to build homes, communities and hope.

The ReStore resale outlet accepts donated building materials from builders, re-modelers and individuals and then sells to the general public at a fraction of the retail price. Nationwide, Habitat for Humanity ReStore resale outlets (of which there are about 500) sell leftover building materials including tile, cabinets, windows, fixtures, etc as well as materials that were removed from remodeled homes and businesses. Proceeds earned from the ReStore will finance construction and rehabilitation of houses for families qualified to purchase Habitat for Humanity homes.

Youth Court - Most teens will get a traffic ticket. If they do ask the court to transfer it to Youth Court. A jury of their peers, community service instead of paying tons of money and it won't go on their record. First time offenses only!

The United Way brings together people, companies and nonprofits to create positive sustainable change in our community. We work to solve issues no single donor, charity, or government agency can handle alone. By focusing on education, income and health, we help more children graduate and get stable jobs, help families become financially stable and improve the overall health of our community. For more than 80 years, United Way has been serving the Greater Topeka area. We believe everyone deserves the opportunity to succeed and we believe in the potential of every human being. Since 1980, United Way has invested \$105 million into the community. Learn more about our history here.

Mission: WE has been developed to empower young and teen girls by means of camaraderie, support, and growth that strengthens positive individuality while creating social change. WE seeks to provide a haven for women to expose themselves to new interests and encourage other women while enlightening one another.
