m's Excellent Adventures

February means T
play so hard in the s

aking time was either spent helping people with their taxes or working out. February and March are why I
it. If I say it enough, I will believe it!

Karaoke at Pigskins Friday night is always fun when you hang out with awesome people at Pigskins! I really enjoy that bar. It is close to my house and great people there to hang out with!

Dogsitting: This is my annual dog sitting job. They fly off to Chicago while I hang out here. It's not a long trip but it does give me a break from work! The pugs are growing up so fast and so much more calm. Toni enrolled them in Doggie day camp!

Mundane Monday: We had to miss most of these this month but we did get together a couple times! One night, Chelsea and I just went to The Blind Tiger for dinner. I always forget about that place. It was amazing! I wish I ate out more so I could enjoy all the great food we have in Topeka!! We are lucky to have so many local options!!

Final Cut/Casino Night: It isn't a secret that I enjoy going to the casino! I hate the smoke but love the sounds and atmosphere. I don't really go to blow a lot of money but i do enjoy going! This time Frankie and I used her credits and coupons to eat at Final Cut Steakhouse! OMG my filet was awesome! It is pretty pricey but the food is totally worth it. Using coupons and comp money was a total bonus.

Valentine's Day I do not celebrate Valentine's day. I however did want to spend a special night with my little man! So we made homemade pizza and played with hot wheels. His dad and girlfriend also joined us! It was a great night!! It just happen to fall on February 14th!

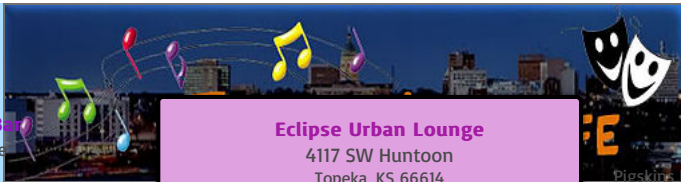

Burger Stand: My friend Derek came into town and wanted a good burger. The first place I thought of was, The Burger Stand! My burger had Green Apple chutney with Bleu Cheese. I always get something new when I go there! They have such a weird menu and I love weird!!

Trivia Benefit for Fallen Officer Harwoods family: I thought I was horrible at trivia and this night confirmed it. I did get to meet some new people and had a great time!! I did get one question right that no one else could get. Which 3 sports use a net but no ball. Hockey and badminton were quick answers. When I said fishing, the table said good job but I could tell some didn't really believe fishing was correct. Well it was! YAY me! Regardless I suck at Trivia!!

Kansas City Theatre Bus Trip: My friend Jim Ogle and I love going to different theatre productions. When I asked him which one at Music Hall he wanted to see, he said Book of Mormon. He then added that I should see what a bus trip would cost. So I did some research and got the word out. On February 28th, 44 people boarded a chartered bus and headed to Kansas! It was an amazing day! It was suppose to be really snowy but it fizzled out! The show was great. Then we went to The Legends for dinner. We made it home by 8pm. It was unanimous that we would do another trip for Wicked in October. I have started planning and tickets will go on sale end of April, first part of May. The cost is \$123/person and that includes a orchestra level ticket and the bus ride. If you were to purchase this ticket on your own, the cost JUST for the ticket would be \$124. We also plan on going to Kinky Boots in February!!

Grace Cathedral

The Spire Ensemble
Sunday, March 22, 5 p.m.
Tickets: \$20

On Sunday, March 22 at 5 p.m., the world-class Spire Ensemble with Baroque instruments returns to Grace Cathedral to perform Claudio Monteverdi's Vespers of 1610. This musical composition of evening prayers was the most ambitious work of religious music before Bach. The structure and counterpoint of the West and the exotic flamboyance of the East met in Venice in 1610 – and the splendor resounded. With his choral masterpiece, Monteverdi forged a dramatic

struggle with the White Witch, and the adventures of four children who inadvertently wander from an old wardrobe into the exciting, never-to-be-forgotten Namia. The intense action features chases, duels and escapes as the witch is determined to keep Namia in her possession and to end the reign of Aslan. All the memorable episodes from the story are represented in this exciting dramatization. This story of love, faith, courage and giving, with its triumph of good over evil, is a true celebration of life.

and vivid new musical style, evoking the struggle between the archaic and the revolutionary.

Monteverdi's work utilizes an array of musical forms including sonata, motet, hymn and psalm chants. The choral parts demand exemplary musicians that often must sing up to 10 different parts at one time and also act as soloists. They are accompanied by a Baroque orchestra. Vespers has survived the test of time—more than 400 years old—because of its incredible beauty and The Spire Ensemble's presentation in Topeka will take advantage of the Cathedral's expansive acoustic and soaring Neo-Gothic architectural with the ensemble singing from multiple locations around the Nave.

Be a part of this living religious musical history!

Henry and Ramona
March 20 - 29, 2015

Newbery Award-winning author Beverly Cleary's irrepressible hero saves the day in this adaptation of one of the best-loved children's book series of all time. Ten-year-old Henry wants to do something important; he wants to deliver newspapers, just like that showoff Scooter McCarthy and the other boys. Four Celtic Voices, Saturday, April 11, 2015 - 7:30 pm
 Four kindred spirits, Celeste Ray, Maria Banks, Carol Crittenden and Alison Crossley joined forces to create a vibrant, vivacious and fresh Celtic group for the enjoyment of their many fans. Focusing on the music and poetry of the ancient Celtic tradition, their instruments and harmony-singing style transport audiences to the enchanted kingdom of the ancient isles. Presenting a wide range of repertoire, Four Celtic Voices raise their voices in lush three-part harmonies while performing on authentic Celtic instruments.

The Andrew J. and Georgia Neese Gray Theatre is located in the Garvey Fine Arts Center on Washburn's campus. The acoustically-designed thrust theatre is the site of sophisticated plays and musicals, from classical to contemporary. The seating capacity is 330 with several premium views compliant with ADA regulations.

Oddfellow's is Topeka's newest and greatest collectibles store. We offer a huge selection of quality used books of every kind and subject. We also offer a great selection of coins and currency as well as comic books, stamps, ephemera, and LOTS of other things to excite the collector in you.

WE ARE NOT A PAPERBACK TRADE!!!

While there is lots of great reading to be found in the average used bookstore we choose to sell books as commodities and not as consumables. This means that the books you purchase from Oddfellow's will find a permanent home on your bookshelves and not get passed on after reading. Our books include the rare and out-of-print, books from the 19th century and earlier, leather-bound beauties, and new books by local authors as well as a ever expanding selection of modern fiction. We also pride ourselves on having a large selection of books about Topeka and all of Kansas including books by local authors. Whatever subject you love, we have a book for you!

Please continue to check back as we expand our website. Soon we will have a link to our online catalog and an events calendar to keep you up-to-date on author signings and other events around the store.

This drought is causing many foundation and concrete slab settlement problems!

KB Mudjacking LLC. of Perry Kansas has inspected many foundation problems in our careers, and if only people knew how to care for their foundations they could have avoided thousands of dollars in repair cost or minimized their damage.

The primary reason so many people have foundation problems lay beneath their feet, its called "highly expansive clay soil". Movement of foundations is a common problem in northeast Kansas, due to highly expansive clay soil and changing weather conditions. This drought continues to plague us all. As the moisture content reduces in the soil due to this drought the clay shrinks and your foundation, walkways, and driveways settle. Do you have windows and doors that won't close? Does your basement wall have cracks? Do you think your house is falling down around you? Is money tight? Then you came to the right place!! Whatever structure you need repaired, big or small KB Mudjacking LLC a locally family owned and operated Mudjacking and Foundation Repair Company will be there for your repairs at the lowest possible cost, and help you regain your properties value.

There are no tricks up our sleeves, just good old fashion tried and proven construction methods that have been time tested to fix your foundation issues. So don't put it off any longer that only leads to further damage and costly repairs. Give KB Mudjacking a call today and one of the Keating Brothers themselves will visit you soon.

Seeking to put God's love into action, Habitat for Humanity brings people together to build homes, communities and hope.

The ReStore resale outlet accepts donated building materials from builders, re-modelers and individuals and then sells to the general public at a fraction of the retail price. Nationwide, Habitat for Humanity ReStore resale outlets (of which there are about 500) sell leftover building materials including tile, cabinets, windows, fixtures, etc as well as materials that were removed from remodeled homes and businesses. Proceeds earned from the ReStore will finance construction and rehabilitation of houses for families qualified to purchase Habitat for Humanity homes.

The United Way brings together people, companies and nonprofits to create positive sustainable change in our community. We work to solve issues no single donor, charity, or government agency can handle alone. By focusing on education, income and health, we help more children graduate and get stable jobs, help families become financially stable and improve the overall health of our community. For more than 80 years, United Way has been serving the Greater Topeka area. We believe everyone deserves the opportunity to succeed and we believe in the potential of every human being. Since 1980, United Way has invested \$105 million into the community. Learn more about our history here.

Dueling pastoral attitudes are just the start of trouble between these two priests. They'll challenge each other on faith, authority, injustice, alcohol abuse, and even the right way to deliver a sermon. This is as much of a character study as a comedy, drama, farce, and a way to (just maybe) think about the complex relationship between our beliefs and actions.
