see summer end but that just means it is my birthday month!!

Jim's Excellent Adventures

Dinner with friends are all busy! I have to and a delicious meal

ways being so busy is not seeing my friends as much as I want. It isn't because I am busy, it is because we are busy sometimes. This month I met up with Bette and George and we enjoyed a great night of conversation. I am not aware that they prefer you to make reservations. I will remember that for next time!!

Royals Game My last Royals game for 2015! It was fun even if they got their butts kicked!

Dog Sitting in KC: Labor Day weekend can only mean one thing! Me and the Pugs! I didn't do much in KC besides hang out at the pool and walk! It was enjoyable. Oh I did go to a Royals game. (see above, they lost)

Last Summer Concert: Last concert of the summer, Dierks Bentley. It was the best of the 4! I love me some Dierks!! What a great night. The best part was hanging with my friends, outside on a beautiful night!

Cheifs game: My very first Thursday night Chiefs football game at Arrowhead! What a blast! I have to thank William for thinking of me this year and getting me tickets! What a great time!!

30th High School Class Reunion: I can not believe I have been out of school for 30 years. A few classmates wanted a reunion and I was volunteered. I like doing things like that though! I planned a night at Reunion was the night school and a class dance. The attendance was low but fun was had by all! Everyone wants me to plan a gathering every year!! We will see!!

Krazy Karaoke at Pigskins: It was awesome to finally get to hang with these awesome people!!

Home At Last Fall Dinner seminar: Who knew that we had such awesome stores in Topeka. Oh wait, I did! You really need to get over to Fairlawn Plaza and check out these locally owned stores. This seminar was about how to have a successful beautiful holiday dinner party. Now to buy a few new things and plan my own dinner!!

Mundane Mondays: Ryan and I are still doing our Mundane Monday beer/drink night! This month we tried a couple different places and I tried a few different drinks! It is nice to just go hang for a couple hours and talk about your week and home and in bed by 10pm. I love The Burger Stand. We also tried Buffalo Wild Wings, they made me a pretty beer!!

Atlanta Trip: I know my summer is over when I make my final moving to Dallas area so that means I will have to now also go to Atlanta in 2016. James and Robert are here and hanging with friends!! I really didn't do much but I did catch up on my sleep!

The Great Soldier State: Kansas and the Civil War
October 3, 2014 - January 3, 2016

Frontier Kansas was pivotal in the Union victory. As Kansas impacted the war effort, the war also impacted Kansans. After the war, settlement by hundreds of thousands of veterans who created new towns, businesses, and railroads led Kansas to become known as the Great Soldier State.

This special exhibit tells the Kansas story of the Civil War and features related objects from the collections of the Kansas Historical Society.

Gloom overhangs Mayhew Manor, touching all who dare enter. This twisted murder mystery follows the Mayhew family as Clifford Brownell arrives at the manor to help. Is Brownell an actor in this drama of the macabre, or is he the principal player? Where does sanity end and illusion begin? This gothic tale of horror, love and death is sure to brighten a gray day and make restless a still night.

By Bart McGallion. Produced through special arrangement with Samuel French Play Service.

Grace Cathedral

Sunday, October 25 – 7:00 pm: Tune My Heart to Sing His Praise

An evening of worship and song led by the choirs of First United Methodist, Grantville United Methodist, Southern Hills Mennonite, Church of Jesus Christ of the Latter Day Saints, and Grace Cathedral.

Friday, October 30, 7 p.m.

“Silents in the Cathedral,” sponsored by the Topeka/Shawnee County Public Library, is an evening of silent pictures accompanied by live music on the Cathedral organ. This free event begins with two short comedy films, followed by an intermission and the “spooky” feature presentation.

SHORTS

Dr. Jekyll & Mr. Hyde clip (1920)

Sheldon Lewis stars in this rival version of Jekyll & Hyde, completed and shown just ahead of the featured Barrymore version. This was intended to beat the Paramount version into theaters and it succeeded in that, but it is NOT the version anyone remembers today. These clips will contrast with the excellent work that Barrymore manages in the later version. – 15 min.

Dr. Pyckle & Mr. Pryde (1925)

Stan Laurel is a hit in one of his early solo shorts (without Oliver Hardy). Laurel made several of these and they were often spoofs of popular feature films – MUD & SAND and THE SOILERS are other examples. This horror/comedy turned out to be one of Laurel’s best. It follows the Jekyll/Hyde story, but Stan’s attempts at evil are hysterical. – 20 minutes

Feature: Dr. Jekyll & Mr. Hyde (1920)

Starring John Barrymore / Nita Naldi / Brandon Hurst – 78 minutes - B/W with Color Tints, Directed by John S. Robertson
This feature film for the 18th annual “Silents in the Cathedral” is considered by many to be the first great American Horror Movie.

Paramount Pictures put together a modest production for this film and seized John Barrymore to play the dual role, a part he literally threw himself into. In many ways, Barrymore is the whole show and he devours the part. He even brought his own houseplants to decorate the somewhat sparse sets and spruce up the production.

The story involves a respected doctor following his dream experiment to separate the ‘selves’ of man into the good and the bad. Performing it on himself, the result is a monstrous creation beyond his control, causing shattering consequences for all.

Organist Marvin Faulwell and percussionist Bob Keckeisen have put together a dazzling musical score for this feature and they will be playing it live at the Cathedral.

October 4 – November 1: Photography by Tom Stubbs

Sunday, November 1 -- 4:00 pm: Evensong followed by Reception for the Artist

Tom’s exhibit includes black and white and color photographs of landscapes and architecture from locations in the US, Italy and France. Tom has travelled extensively in the US, Europe and China. His work has been published nationally and he participates in numerous art shows each year.

Two Block Chalk Walk
 Oct 24 2p to 8p
 Two Wolves Studio
 837 1/2 N Kansas Ave, Topeka, KS

We're Doing It AGAIN! In conjunction with the Children's Art Show in NOTO on October 24th!!

You know you love sidewalk chalk, I do too! We all do, don't we? We're getting out the sidewalk chalk and we're going to attempt to cover each square of concrete sidewalk within two blocks with art and try to beat some kind of crazy chalk walk side record. Our longest record we covered one side of the two blocks, this time we aim to cover both sides of the street. Plus it will be buckets of fun for all the kids, big and small, young and young at heart.

What do ya'll think? Can we do a Two Block Chalk Walk, Again?? I believe we can. Between you and me and everyone we know, I say YES! Two Block Chalk Walk, Lets rock this chalk!!

We are providing a box of chalk in front of each building for community use. You're welcome to bring your own chalks as well. We are also taking chalk donations for this event.

We're inviting special guest artists to be featured on designated areas. If you would like to be a featured artist please contact us and let us know, we'll reserve a featured space.

Remember, the goal is to cover the most distance possible in one day with chalk art from the community.

Free and fun - for the entire family. Please feel free bring your favorite chalks and your cameras.

We'll see you in the NOTO Arts District!

Beethoven — Symphony No. 6 — Pastoral
 Young Artist Competition Winner
 Britten — Four Sea Interludes from Peter Grimes

2016 marks the 50th anniversary of the tornado which tore through Topeka. We remember the storm at this evening's concert of the World in Storm. We will play Benjamin Britten's stormy and dramatic Four Sea Interludes from the opera Peter Grimes and offer perhaps the most famous of all storm music, Beethoven's Symphony No. 6, the Pastoral. The Pastoral features a musical thunderstorm, including the calm before the storm, the raging storm itself, and the quiet afterwards, and will provide us an opportunity to reflect on the storm of 1966 and the years following as Topekans rebuilt. This will be a moving and powerful evening for all.

 October 2015

Introducing Themed Thursdays

Starting in October join us every third Thursday of the month for a special volunteer shift with a theme! During these shifts volunteers will get to sort and repackage donated product in our Volunteer Engagement Center while also participating in a fun activity.

This month the theme is trivial! The concept is simple and the questions are fun, but don't be fooled - our questions will prove challenging for all participants. Teams will compete against each other in answering questions from various topics to win prizes. This family friendly event is formatted so that all ages will enjoy participating, however please keep in mind that volunteers need to be at least 8 years old to help in our warehouse.

Upcoming Themed Thursdays are as follows:

 Thursday, November 19th 4:00 p.m. to 6:00 p.m. — Activity to be determined.
 Thursday, December 17th 4:00 p.m. to 6:00 p.m. — Activity to be determined.

Bonerama...has always been hailed as "unlike anything you've ever heard before"...

As their sound evolves and changes it's still the best way to describe this 15 year old powerhouse trombone touring band from New Orleans, LA. In addition to changing the way people think about the trombone, the sound of Bonerama has become an influence and contribution to the sound of New Orleans music today. The band has performed and recorded with countless national artists such as R.E.M., OKGo, Tom Morello, Wayne Kramer (MC5), Jill Sobule and so many more, all while bringing their distinctive sounds from New Orleans to a national spotlight.

Whether it's their inventive covers or funky, rocking originals, Bonerama is calling you to Shake It Baby. To the left and to the right. Or anyway you like it, and all in between. Rest assured, Bonerama will take you on your most memorable RIDE ON THE SLIDE!

Oddfellow's is Topeka's newest and greatest collectibles store. We offer a huge selection of quality used books of every kind and subject. We also offer a great selection of coins and currency as well as comic books, stamps, ephemera, and LOTS of other things to excite the collector in you.

WE ARE NOT A PAPERBACK TRADE!!!

While there is lots of great reading to be found in the average used bookstore we choose to sell books as commodities and not as consumables. This means that the books you purchase from Oddfellow's will find a permanent home on your bookshelves and not get passed on after reading. Our books include the rare and out-of-print, books from the 19th century and earlier, leather-bound beauties, and new books by local authors as well as a ever expanding selection of modern fiction. We also pride ourselves on having a large selection of books about Topeka and all of Kansas including books by local authors. Whatever subject you love, we have a book for you!

Please continue to check back as we expand our website. Soon we will have a link to our online catalog and an events calendar to

The Merchant - 913 S Kansas Ave, Topeka, KS 66603 - 785-357-1444
 The Merchant was started in 2009 by owner Lisa Boyd. Lisa has done design and fashion on a budget since she was 16 years old by hitting up clearance racks, garage sales, and estate sales. After spending most of her life doing this - she realized that Topeka needed a resale shop that specialized in eclectic fashion and great prices.

And that's what we are! **The Merchant is all about two things: Fashion and Price!** We spend our time looking for bargain fashion items so you don't have to. Our inventory changes **daily**, and is bought at great prices so we can offer it at great prices - so you can express yourself without blowing your budget. The Merchant has a wide range of styles, home accessories, and fashions that's sure to treat everyone's taste.

Spring Cleaning? Don't forget about us! A **frayed towel** or a **faded blanket** is just the ticket. Our kitties like to cuddle and our puppies love to snuggle up in them. Old pillows, stuffed animals and old throw rugs are also needed. HHHS also accepts donation of aluminum cans throughout the entire year and donations of plastic pop bottles or milk jugs during the summer months only.

Items can be dropped off at the shelter during regular business hours. Let us know if you need assistance removing items from your vehicle.

Do you want to help our elementary schools?

It really doesn't cost you anything extra. There are hundreds of products that have Box Tops of Education coupons on them. All you have to do is start to cut them off and put them in an envelope. These coupons add up quick! Stay tuned for drop off locations!
McCarter Elementary, Jardine Middle School, Most Pure Heart School, Avondale West and Whitson Elementary all collect Box Tops. More schools will be added when I have names.

This drought is causing many foundation and concrete slab settlement problems!

KB Mudjacking LLC. of Perry Kansas has inspected many foundation problems in our careers, and if only people knew how to care for their foundations they could have avoided thousands of dollars in repair cost or minimized their damage.

The primary reason so many people have foundation problems lay beneath their feet, its called "highly expansive clay soil". Movement of foundations is a common problem in northeast Kansas, due to highly expansive clay soil and changing weather conditions. This drought continues to plague us all. As the moisture content reduces in the soil due to this drought the clay shrinks and your foundation, walkways, and driveways settle. Do you have windows and doors that won't close? Does your basement wall have cracks? Do you think your house is falling down around you? Is money tight? Then you came to the right place!! Whatever structure you need repaired, big or small KB Mudjacking LLC a locally family owned and operated Mudjacking and Foundation Repair Company will be there for your repairs at the lowest possible cost, and help you regain your properties value.

There are no tricks up our sleeves, just good old fashion tried and proven construction methods that have been time tested to fix your foundation issues. So don't put it off any longer that only leads to further damage and costly repairs. Give KB Mudjacking a call today and one of the Keating Brothers themselves will visit you soon.

Downtown's Top of the Tower Club Hosts Summer Promotion to Public

Topeka, Kansas – The Top of the Tower Club, a private club offering fine dining and exceptional event space, is hosting a summer promotion to the Topeka community to enjoy lunch and dinner through the summer months of June, July and August. Located on the 16th Floor of the Topeka Tower at 534 S Kansas, the Top of the Tower Club offers exquisite views of the city creating a capital dining experience. With the downtown redevelopment in process, it's a great location to view the progress on Kansas Avenue and enjoy the terrific atmosphere for a special meal with your significant other or a place to impress a business

Photography is about reflecting who you are, at your best. You want to share what's important to you with the whole world, and I can make that happen. The photos you'll treasure your whole life aren't the unnatural poses with faces pointed at the camera. When you look through your memories years later, what you want is something that will bring you right back to how you felt that day. Your fingers brushing across your new husband's face as you gaze up at him, the fire in your eyes the day before your big game, the look that charmed everyone, and the spark that just lights up the room. That's what you need to capture, and for that, you need a photographer that doesn't see you as just another shoot.

associate. The club welcomes you to see its premier space and enjoy Chef Miguel's special menu and extensive top shelf bar offerings using always fresh, hand prepared mixes. The promotion allows non-members, who may not have visited the Club before, the opportunity to enjoy the great atmosphere and dining for a small cover charge of \$5/person or \$20 maximum for groups up to 8.

Dining Hours: Lunch – Monday through Friday 11:30am to 2pm / EVENINGS – Thursday, Friday, Saturday 4:30pm to 9pm

RESERVATIONS REQUESTED - 785.354.7746

Dress Code: Appropriate attire required – no t-shirts, shorts and hats

We're delighted to add Top of the Tower Club to the growing list of downtown evening dining options open to the general public. Currently downtown hosts 30 dining options for lunch and 21 dinner options.

MAY WARMER AND SCENT OF THE MONTH

Caribbean Blue
Welcome to the islands, where the sun is warm and worries drift away on the ocean breeze. Wade into crystal-clear turquoise waters. Dive below the surface and explore. Doze off on a beach towel and let the sun dry your skin. It's just another day in paradise.

Sea Salt Mist
Conjure a gentle tide lapping against driftwood, a rustle of beach grass, a spray of ocean mist and sea salt with bright mandarin and sultry amber.
